

BIOLOGY: The study of life, living things, and the interactions between organisms

Class Website: <http://mrsrobbinsclassroompage.weebly.com/>

Mrs. Robbins arobbins@hansen.k12.id.us
Room 1 (208) 423-5593 ext.2218

Rules

BE PROMPT!

Be in your seat BEFORE the bell rings. You will be marked tardy if you are not in your seat at that time.

BE PREPARED!

Bring all required materials to class, every day. You will be marked tardy if you are not prepared for class. Chronic unpreparedness is unacceptable!!

BE PRODUCTIVE!

Listen to instructions the FIRST time they are given and stay on task (the more you get done during class the less you have to do at home)!

BE POLITE!

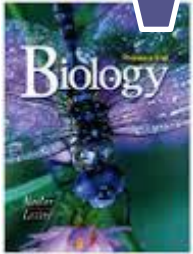

Respect each other and the equipment in the science room. Do not interfere with the learning of any student at any given time.

1 science credit per semester

Text:
Biology
Author:
Miller, et.al
Publisher:
Prentice
Hall

Open to all 10th graders and any student in need of a Biology credit

Units:

1

• Introduction to Biology

2

• Cell Structure & Function

3

• Cell Division & DNA

4

• Genetics & Heredity

5

• Evolution

6

• Classification

7

• Ecology

Daily Materials

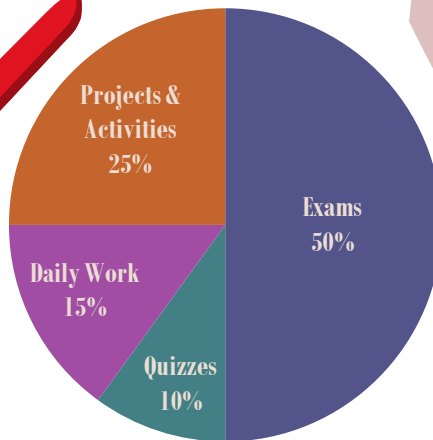

Required

Textbook
Interactive Notebook
Sharpened Pencil or Pen
Completed Assignments

Recommended

Calculator
USB Drive
Colored Pens/Pencils
Highlighter

~Grades~

Register to receive class reminders via text message: <https://www.remind.com/join/a1713>

Late Work: Life Happens! If you anticipate an assignment being late please let me know so we can work out an acceptable arrangement. Failure to do so will result in a 10% grade reduction per day late. No work will be accepted one week after the posted deadline, unless prior arrangements have been made. Work not turned in will receive a zero.

***NOTE:** I can't grade what I can't read! Illegible assignments and/or assignments containing numerous grammatical errors that restrict the flow of communication will be returned ungraded and must be redone. The assignment will be subject to a late penalty.
