

# CONCEPTUAL PHYSICS: *real-world applications of motion & energy*

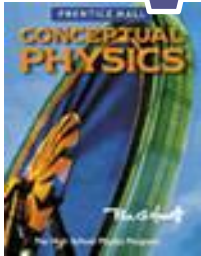

Class Website: <http://mrsrobbinsclassroompage.weebly.com/>

1 science credit per semester

Open to all 10-12th graders

Title: Conceptual Physics  
Author: Hewitt  
Publisher: Pearson

Mrs. Robbins    arobbins@hansen.k12.id.us  
Room 1            (208) 423-5593 ext.2218

## Rules

### BE PROMPT!

Be in your seat BEFORE the bell rings. You will be marked tardy if you are not in your seat at that time.

### BE PREPARED!

Bring all required materials to class, every day. You will be marked tardy if you are not prepared for class. Chronic unpreparedness is unacceptable!!

### BE PRODUCTIVE!

Listen to instructions the FIRST time they are given and stay on task (the more you get done during class the less you have to do at home)!

### BE POLITE!

Respect each other and the equipment in the science room. Do not interfere with the learning of any student at any given time.

## Units:

- 1 • Introduction to Physics
- 2 • Mechanics
- 3 • Properties of Matter
- 4 • Heat
- 5 • Sound and Light
- 6 • Electricity & Magnetism
- 7 • Atomic and Nuclear Physics

## Daily Materials

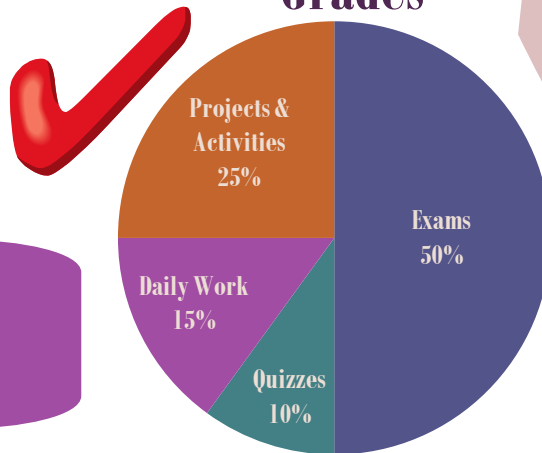

### Required

Textbook  
Interactive Notebook  
Sharpened Pencil or Pen  
Completed Assignments

### Recommended

Calculator  
USB Drive  
Colored Pens/Pencils  
Highlighter

## ~Grades~

**Late Work: Life Happens!** If you anticipate an assignment being late please let me know so we can work out an acceptable arrangement. Failure to do so will result in a 10% grade reduction per day late. No work will be accepted one week after the posted deadline, unless prior arrangements have been made. Work not turned in will receive a zero.

**\*NOTE:** I can't grade what I can't read! Illegible assignments and/or assignments containing numerous grammatical errors that restrict the flow of communication will be returned ungraded and must be redone. The assignment will be subject to a late penalty.

KEEP CALM  
AND  
DO YOUR HOMEWORK
