**Late Work: Life Happens!** If you anticipate an assignment being late please let me know so we can work out an acceptable arrangement. Failure to do so will result in a 10% grade reduction per day late. No work will be accepted one week after the posted deadline, unless prior arrangements have been made. Work not turned in will receive a zero.

**\*NOTE:** I can't grade what I can't read! Illegible assignments and/or assignments containing numerous grammatical errors that restrict the flow of communication will be returned ungraded and must be redone. The assignment will be subject to a late penalty.
